

## **Jerry Maguire**

JERRY

Hello. I'm looking for my wife.

JERRY

(continuing)

This used to be my specialty. I was good in a living room. Send me in there, I'll do it alone. And now I just... I don't know... but on what was supposed to be the happiest night of my business life, it wasn't complete, wasn't nearly close to being in the same vicinity as complete, because I couldn't share it with you. I couldn't hear your voice, or laugh about it with you. I missed my wife. We live in a cynical world, and we work in a business of tough competitors, so try not to laugh -- (directly)

I love you. You complete me.

DOROTHY

Aw, shut up. You had me at hello.
